

Message from the Show President

As the President it gives me great pleasure to welcome you all to the 2009 Llanilar Show.

I can only hope that the weather on Show day last year will not repeat itself again. Whilst the show was a success it took the field many months to recover. I would like to thank everybody who supported us so loyally against all the odds.

As you know Ceredigion is the host county for the Royal Welsh Show in 2010. I would like to congratulate Dai Jones Llanilar on his appointment as President elect for 2010. It is an honour to have a member of our local community leading this prestigious event and on behalf of Llanilar Show Society we wish him and Olwen well for the next year.

Peter Loxdale

President Llanilar Show
